

Energy Healing Consent and Release Statement

I, the undersigned, understand that the Energy session given to my pet does not necessarily involve a hands-on method. My pet's free will is the priority during these sessions. These sessions are for the purpose of pain management, stress reduction, and relaxation for my pet. I understand very clearly that these treatments are not intended as a substitute for medical care. I also understand that Energy Healing can be done from a distance.

I understand that Energy practitioners do not diagnose conditions, nor do they prescribe medicines, nor interfere with the treatment of a licensed medical professional. It is recommended that I seek a licensed health care professional for my pet for any ailments that my pet has.
